

Sugarhouse Rewards

All Natural 100% Pure Maple Syrup

Sugarhouse Rewards is a small family operated company. We take great pride in packaging only high quality Pure Maple Syrup. Nothing is ever added to our Pure Maple Syrup. It is truly an all Natural Product, just as nature intended.

Did you know that it takes 40 gallons of sap from a maple tree to make one gallon of Pure Maple Syrup? This great tasting syrup is the reward for the hard work in the Sugarhouse and Sugar Bush. Sugarhouse Rewards Pure Maple Syrup can only be found in small shops, we do not wish to market through the large grocery store chains. We believe that this Maple Syrup is special and should be treated accordingly.

Please give us a try. We are certain you will love our taste and quality.
Thank you from the Sugarhouse Rewards family.
